

“LFH/MLK Building Tomorrow’s World Class Leaders Today”

OUR MISSION

To work together as a community in a safe and positive learning environment with high expectations for success through the implementation of best instructional practices for scholars to meet and exceed the Common Core State Standards. Furthermore, with the use of technology our scholars will obtain 21st Century Skills to help them become college and career ready.

OUR VISION

We will create an environment where our scholars will become world class leaders. Through acquiring the necessary reading, math, social studies, science and technology skills our scholars will be equipped to meet and exceed New York State Common Core State Standards.
