

“LFH/MLK Building Tomorrow’s World Class Leaders Today”

WHAT WE BELIEVE

All scholars shall learn in a conducive and nurturing learning environment. A collaborative educational environment promotes combined success for all stakeholders. Scholars are agents of change who have the ability to think creatively and make great contributions to society. Student centered, differentiated instruction allows scholars to demonstrate their personal best.

WHAT WE VALUE

We have highly involved staff who ensure our quality instructional program is taught effectively. We instruct with research-based best practices, data and New York State Common Core Learning Standards. We aim to make sure every scholar who comes in our door receives enriching learning experiences and challenging instruction and assignments to develop critical thinking skills as well as become productive citizens of good character. We work together to support our scholars to meet high expectations.

OUR GOALS

To create a safe, respectful learning environment.

To provide a strong foundation of rigorous reading, writing, and math skills.

To develop responsible, independent learners.
