August 2, 2021

Dear Wyandanch families,

As we have successfully closed the 2020~2021 School Year, I want to take this opportunity to thank you for your support in working with your child's school principal and teachers as we navigated through a most challenging year.

With summer vacation upon us, I encourage you to make reading a part of your summer routine. One of the biggest factors that determines if a student will be a lifelong reader is seeing someone in their family set that example. Keep lots of reading material around the house and set aside 10-15 minutes a day for your child to read or you to read to them

Research shows that students can maintain or improve reading skills when they are out of school for the summer. Access to books over the summer increases reading opportunities and enjoyment of books, and helps students be ready for next school year. Students who read at least five books during the summer can maintain important literacy skills

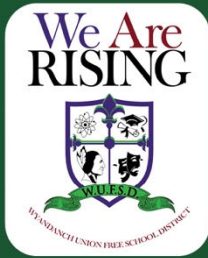

As we look ahead with anticipation to the new school year, please take the time to enjoy a happy, healthy, and safe summer vacation, and remember to Stay WARRIOR STRONG!

Honored to be your superintendent,

Gina Talbert

Dr. Gina Talbert

Inspire the passion for learning
and educating all students to achieve their full potential.

2 de Agosto de 2021

Estimadas familias de Wyandanch,

Dado que hemos cerrado con éxito el año escolar 2020 ~ 2021, quiero aprovechar esta oportunidad para agradecerles por su apoyo al trabajar con el director de la escuela y los maestros de su hijo mientras atravesábamos un año más desafiante.

Con las vacaciones de verano sobre nosotros, le animo a que haga de la lectura una parte de su rutina de verano. Uno de los factores más importantes que determina si un estudiante será un lector de por vida es ver a alguien de su familia dar ese ejemplo. Mantenga una gran cantidad de material de lectura en la casa y reserve de 10 a 15 minutos al día para que su hijo lea o usted le lea a él

Las investigaciones muestran que los estudiantes pueden mantener o mejorar sus habilidades de lectura cuando no van a la escuela durante el verano. El acceso a libros durante el verano aumenta las oportunidades de lectura y el disfrute de los libros, y ayuda a los estudiantes a estar preparados para el próximo año escolar. Los estudiantes que lean al menos cinco libros durante el verano pueden mantener importantes habilidades de alfabetización.

Mientras miramos hacia el futuro con anticipación al nuevo año escolar, por favor tómese el tiempo para disfrutar de unas felices, saludables y seguras vacaciones de verano, ¡y recuerde Mantenerse GUERRERO FUERTE!

Honrada de ser su superintendente,

Gina Talbert
