December 18, 2020

Good afternoon Wyandanch families, hola and bonswa. This is Dr. Gina Talbert, Superintendent of Schools. This message will be translated into Spanish.

As we begin to get closer to the Holiday season, the number of COVID cases here in our community, as well as Suffolk County continues to rise. Faculty and staff are diligent in their efforts to maintain a safe and healthy learning environment for our scholars. Now is not the time to slow down those efforts, instead, to double down on them. Out of an abundance of caution, the buildings will be closed for in-person instruction from January 4th, 2021 to January 19th, 2021. Every decision made since March 13th has been driven by our need to keep our staff and scholars safe and healthy, and this decision is no different.

Teachers will continue to present live instruction according to the schedules provided in the days following Thanksgiving. Grab and Go breakfast and lunches will be given daily to all students. I urge you to reach out to your building principals before Tuesday, December 22nd if there are any anticipated technology needs that you or your family will have.

Please continue to follow our District Facebook page for updates, check the website often, and make sure to submit your email address in order to receive messages there. I wish you and your family a safe and healthy holiday break. Wear a mask, practice social distancing, and wash your hands often. We're all in this together.

Honored to be your superintendent,

Dr. Gina Talbert

18 de diciembre de 2020

Buenas tardes familias Wyandanch, hola y bonswa. Esta es la Dra. Gina Talbert, Superintendente de Escuelas.

A medida que nos acercamos a la temporada navideña, la cantidad de casos de COVID aquí en nuestra comunidad, así como en el condado de Suffolk, continúa aumentando. Los profesores y el personal son diligentes en sus esfuerzos por mantener un ambiente de aprendizaje seguro y saludable para nuestros estudiantes. Ahora no es el momento de frenar esos esfuerzos, sino de redoblarlos. Por precaución, los edificios estarán cerrados para la instrucción en persona desde el 4 de enero de 2021 hasta el 19 de enero de 2021. Cada decisión tomada desde el 13 de marzo ha sido impulsada por nuestra necesidad de mantener a nuestro personal y estudiantes seguros y saludables. y esta decisión no es diferente.

Los maestros continuarán presentando instrucción en vivo de acuerdo con los horarios previstos en los días posteriores al Día de Acción de Gracias. Todos los estudiantes recibirán diariamente desayunos y almuerzos para llevar. Le insto a que se comunique con los directores de su edificio antes del martes 22 de diciembre si hay alguna necesidad tecnológica anticipada que usted o su familia tendrán.

Continúe siguiendo nuestra página de Facebook del Distrito para obtener actualizaciones, visite el sitio web con frecuencia y asegúrese de enviar su dirección de correo electrónico para recibir mensajes allí. Les deseo a usted y su familia unas vacaciones seguras y saludables. Use una máscara, practique el distanciamiento social y lávese las manos con frecuencia. Estamos todos juntos en esto.

Honrado de ser su superintendente,

Dr. Gina Talbert
