

In a Heartbeat,
We could save your life™

COVID-19

RAPID ANTIGEN TESTING

Receive your test for the novel coronavirus
("SARS-CoV-2") infection known as COVID-19

GET TESTED

Testing is recommended if you are experiencing fever,
cough, shortness of breath or difficulty breathing.

FAST, ACCURATE RESULTS

Testing can provide a positive or negative test result within 15 minutes.

Advanced Cardiovascular Diagnostics' testing has a
positive predictive value of 100% and a negative predictive value of 97.5%.
