March 18, 2021

Dear Families and Community Residents,

I hope this message finds you healthy and refreshed after the winter break. As our young scholars return to learning and prepare for the future, we are continuing to do all we can to provide a safe and healthy learning environment by strictly adhering to the COVID-19 protocols provided by the CDC and the Suffolk County Department of Health Services.

Congratulations to our Class of 2021 Top 10 students. Their hard work and dedication during these unprecedented times have empowered them to achieve their academic goals. They serve as role models for those who follow in their footsteps. Their names and pictures may be found in the Winter Edition of our District Newsletter.

Looking toward the future, the Board of Education and administration are working closely together to analyze expenditures and develop the 2021-2022 school budget to present to community residents on May 18. We are also making every effort to advocate on both the federal and state levels to ensure that our school district receives its fair share of aid to minimize the impact to our taxpayers. We have also been successful in securing several competitive grants and generous donations, which will provide additional funding for programs and enhance technology to support online instruction.

Thank you for supporting our efforts to keep our scholars and staff safe by following the recommended safety precautions at home and in our community to help reduce the spread of COVID-19. Together we can achieve our common goals. Please remember to visit the district's website for the latest information on voter registration, our 2021-2022 proposed budget and Board of Education trustee election.

Honored to be your superintendent,

Dr. Gina Talbert

Inspire the passion for learning
and educating all students to achieve their full potential.
