January 28, 2021

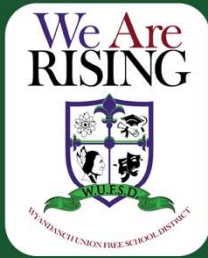

Good evening Wyandanch families, hola, and bonswa.

This morning we were notified of a positive COVID test for a student at the Dr. Martin Luther King, Jr. Elementary School and three students at the Milton L. Olive Middle School; as well as a staff member at the district central office. Due to the length of time that students have been learning remotely, there is no need for other students or staff members to quarantine. The central office staff member has not been in contact with anyone since before the onset of symptoms; therefore there is no need for others to quarantine.

It is certainly our desire to have students in the building rather than working remotely. However, in the meantime, please be sure your children are staying connected and engaged in the learning process. All scholars are expected to be on time and in attendance each day. The hybrid model will resume on Monday, February 1st. In the past few weeks, we have seen a rise in the number of students and staff members testing positive or being exposed to someone who has tested positive. Please consider getting tested if someone in your household is not feeling well and follow the CDC protocols. For the safety of all, if you, your child or a staff member are not feeling well, please remain at home.

Honored to be your Superintendent,

Dr. Gina Talbert

28 de enero de 2021

Buenas noches, familias de Wyandanch, hola y bonswa.

Esta mañana fuimos notificados de una prueba COVID positiva para un estudiante de la Escuela Primaria Dr. Martin Luther King, Jr. y tres estudiantes de la Escuela Intermedia Milton L. Olive; así como un miembro del personal de la oficina central del distrito. Debido al tiempo que los estudiantes han estado aprendiendo de forma remota, no es necesario que otros estudiantes o miembros del personal se pongan en cuarentena. El miembro del personal de la oficina central no ha estado en contacto con nadie desde antes de la aparición de los síntomas; por lo tanto, no es necesario que otros se pongan en cuarentena.

Sin duda, nuestro deseo es tener estudiantes en el edificio en lugar de trabajar de forma remota. Sin embargo, mientras tanto, asegúrese de que sus hijos se mantengan conectados y participando en el proceso de aprendizaje. Se espera que todos los estudiantes lleguen a tiempo y asistan todos los días. El modelo híbrido se reanudará el lunes 1 de febrero. En las últimas semanas, hemos visto un aumento en la cantidad de estudiantes y miembros del personal que dieron positivo o estuvieron expuestos a alguien que dio positivo. Considere hacerse la prueba si alguien en su hogar no se siente bien y siga los protocolos del CDC. Por la seguridad de todos, si usted, su hijo o un miembro del personal no se sienten bien, permanezcan en casa.

Honrada de ser su superintendente,

Dra. Gina Talbert
