Dear Wyandanch families,

On February 25th the Centers for Disease Control (CDC) announced significant changes to its masking guidelines. The changes included a repeal of the universal masking recommendation for schools. The CDC now only recommends mandatory school masking in counties where community COVID-19 levels are considered "High". Currently, Suffolk County is designated as a "Low" risk area.

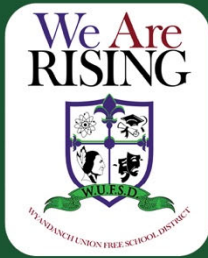

On Sunday, Governor Hochul announced that the universal mask mandate for P-12 schools will be lifted effective Wednesday, March 2, 2022.

Beginning Wednesday March 2, 2022, it will be each individual teacher, scholar, staff member and/or visitor's decision whether they will or will not wear a face mask while in District schools and facilities. This includes school bus transportation.

We ask everyone to please maintain a culture of respect for everyone's personal choice and decision regarding the wearing of masks.

Honored to be your superintendent,

Dr. Gina Talbert

Queridas familias de Wyandanch,

El 25 de febrero, los Centros para el Control de Enfermedades (CDC) anunciaron cambios significativos en sus pautas de uso de máscaras. Los cambios incluyeron la derogación de la recomendación universal de enmascaramiento para las escuelas. El CDC ahora solo recomienda el uso obligatorio de máscaras escolares en los condados donde los niveles comunitarios de COVID-19 se consideran "altos". Actualmente, el condado de Suffolk está designado como área de riesgo "bajo".

El domingo, el gobernador Hochul anunció que el mandato de mascarilla universal para las escuelas P-12 se levantará a partir del miércoles 2 de marzo de 2022.

A partir del miércoles 2 de marzo de 2022, será la decisión individual de cada maestro, estudiante, miembro del personal y/o visitante si usará o no una máscara facial mientras se encuentre en las escuelas e instalaciones del Distrito. Esto incluye el transporte en autobús escolar.

Les pedimos a todos que mantengan una cultura de respeto por la elección y decisión personal de cada individuo con respecto al uso de máscaras.

Honrada de ser su superintendente,

Dra. Gina Talbert
